POTSDAM. PARKEINGANG SANSSOUCI

LL6603

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

(FOR ADDRESS ONLY.)

SANSSOUCI, THE IRON GATE which is shown in the picture, was erected by Frederick the Great in 1745—7 as a principal entrance to the park and Castle of Sanssouci, his favourite residence. The Corinthian pillars, surmounted by groups of playing children, are a remarkable feature.

"WIDE-WIDE-WORLD" Potsdam. 7455.
